RE: Notice of *ex parte* presentation in:

GN Docket No. 09-191
WC Docket No. 07-52

Dear Ms. Dortch,

This is to inform you that on December 13, 2010, the undersigned spoke by telephone with Margaret McCarthy, Policy Advisor to Commissioner Copps.

I expressed Amazon's support for the Commission to adopt rules that protect an open and transparent Internet. Additionally, we discussed the need for the rules to contain clear definitions of broadband internet access and the conditions under which paid prioritization will be allowed as a specialized service. The views expressed reflected the positions Amazon has taken in its written comments in those proceedings.

Sincerely,

/s/
Emmett O'Keefe
Director of Public Policy
